

“The greatest need of mankind is the ability to receive love and give love.”

LOVE

Loving others shows God that we love Him.

Jesus showed us how to express God’s love to others, by washing feet.

We should humble ourselves and be other’s servants.

“We are all equal at the foot of the cross.”

Like God gave His Son, we should give our very best!

POINTS TO PONDER:

1. How do I increase my love for others?
2. How do I increase my love for God?
