# SERMON NOTES

Mike Garrison, Elder

THE PERSISTENT WIDOW

Luke 18:1-8

October 27, 2024

**BIG IDEA:** Prayer is important, powerful, meaningful, and essential in the Christian church.

## CONTEXT

Jesus tells us directly that He wants us to pray persistently.

Jesus tells the Pharisees the Kingdom of God was there in their midst because the Son of God was presently on the earth.

Jesus tells the disciples that when He comes again it will be in a way that is visible to all.

## FOCUS

Persistent prayer will help us keep focus on:

- who God is
- who we are
- what's important

Persistent prayer also helps us produce fruit.

Persistent prayer helps us demonstrate Faith.

## CONCLUSION

No matter how long it seems to us our prayers seem delayed, God has this all in His hands.
