

BIG IDEA: God's plan of salvation is perfect.

A REMNANT REMAINS (Romans 11:1-6)

Three evidences that God has not rejected Israel in totality:

- Paul was chosen.
- God foreknew Israel.
- Elijah's conversation with God.

A BLINDED MAJORITY (Romans 11:7-10)

The elect obtained it.

The majority were hardened.

THE GRAFTED IN BRANCHES (Romans 11:11-21)

Israel's stumble led to the Gentiles' salvation.

Through the salvation of the Gentiles the Jews will become jealous.

The Church has not replaced Israel but been grafted in.

THE RESTORATION OF ISRAEL (Romans 11:22-32)

Security in God's kindness is conditioned upon perseverance.

Through Jesus Israel can be grafted back in too.

THE WISDOM OF GOD (Romans 11:33-36)

God's ways are perfect, even if we don't understand them.

All glory belongs to God.
