

LOST, FOUND - REJOICE!

Luke 15

September 29, 2024

**MAIN IDEA:** Jesus came to seek and save the lost. (Luke 19:10)

### Lost Sheep (v. 1-7)

These people were lost, and God is going after them. (Ezekiel 34:11-12)

### Lost Coin (8-10)

Angels long to look into this amazing reconciliation between the Holiest of all and sinful mankind.

### Lost Son or Prodigal Son (11-32)

It is God's goodness, not just our badness, that leads us to repentance.

### POINTS TO PONDER:

1. Who do I know is not saved?
2. How can I reach out to them?
3. Do I relate closer to the sinner or the Pharisees? Why?
