

**THE BRONZE ALTAR:
CHRIST OUR SACRIFICE**

Exodus 27:1-8, Hebrews 10:1-14

September 6, 2026

BIG IDEA: Christ didn't just cover our past at the altar — He conquered our future for freedom.

THE ALTAR AT THE GATE

- Atonement precedes everything; the altar was always first.
- Christ's once for all offering changes everything about how we live.

THE PERFECT SACRIFICE OFFERED

- Old sacrifices were endless because they were insufficient, a rehearsal not the performance.
- Generations of sacrifice couldn't do what Christ did once, and He sat down to prove it.

FROM FORGIVEN TO FREE

- We don't offer our lives to earn God's acceptance; we offer them because we already have it.
- Freedom in Christ isn't a license to sin; it's the liberty to worship without fear.
